- ▶ SS wet jar 1500 ml with blade
- ▶ SS dry jar 1000 ml with blade
- ▶ SS chutney jar 300 ml with blade
- ▶ Spatula

3 Super-Efficient Multipurpose Blades

This super-efficient blade made of superior quality stainless steel can do better grinding of food ingredients according to your requirements - fine, medium or coarse. It comes with 3 varieties of stainless steel blades to perform different operations.

Dome Shaped Lid

The smart dome shaped design of the lid provides extra space for the ingredients to move about, for better grinding results. The jar lids are made of break resistant polycarbonate.

Superior Grade Plastic Body

The mixer grinder's superior grade plastic body makes it resistant to corrosion, chemicals and shocks, ensuring durability and long lasting performance.

3 Speed Rotary Switch with Whipping

It comes with 3 speed control and whipping to give you desired blending and mixing. It also comes with Unique and sturdy couplers for long life.

3 Stainless Steel Jars

The jars are designed to perfection with superior quality stainless steel body with sparkling mirror finish. The dry jar and chutney jar is perfect for all your grinding and powdering needs such as dry masalas. The wet jar does grinding like idli, dosa batter and also it's suitable for preparing lassi etc. These jar grinds faster and finer, thus saving your time.

Sturdy Handles

The specially designed stylish jar handles provide better grip and durability.

Advanced Design

The mixer grinder's advanced space-saving design gives it a bold look and its easy jar lock mechanism makes it a great companion in the kitchen.

Powerful 750 Watt Motor

The mixer grinder is equipped with a powerful 750 watts motor that grinds anything and everything with absolute ease.
